The Chophouse, an idea born in 2007, and the spot you’re in now, No.1 Kings Parade, seemed the perfect place to deliver our ideas. Finding this place was a piece of luck.

The idea was to bring a traditional British menu to Cambridge. It was my father Robin Thain who actually came up with the name and one or two of the suggestions on the early menu…Suet Pudding in particular. Mixing the menu with local ale straight from the cask seemed original and reasonably avant-garde at the time. We aimed to push the boundaries with left field dishes. We were the first to serve Squirrel and were on national radio, ‘Rook’ made an entrance as did Beef cheek, good old Thick cut Ham and Duck egg and of course our Barnsley Chop. We even tried Tripe but there were very few takers! We are determined to keep our menus interesting and varied from the typical Steak House.

Because we are British and local we use Butchers close to us. We utilise dry aged, pasture fed beef and have full traceability, all our pork comes from one farm ‘Dingley Dell’. Our staff are well informed and happy to give explanations regarding our menus.
